Hi John,

I am 5th from right front row , complete with Sgt Boy's stripes. I later went up to F/Sgt boy and had the dubious honour of marching the markers onto the passing out parade ground. Mr Witt had the honour of "taking " the parade. My number was 1932553

On the back row 2nd left is Bob O'Neill

Back row 9th from the right is Bob (Sam) Thompson and I think 5th from the right is Bob Swindells so that accounts for 4 of the Northern Irish contingent . There is one other name I recall a guy called Hanna but I cannot spot him at the moment
